

PNEUMATIC	
	<i>For over 50 years, LEINART's INC. has been your source for ASCO products as an authorized industrial distributor. ASCO Valve Technology is reliable & represents the top industry standard.</i>
	<i>BIMBA has an extensive line of industry-leading products that are used in machinery & automation.</i>
	<i>CAMOZZI is a leader of industry in fittings & control systems</i>
	<i>Automation & Robotic technology is the future. With SCHUNK SYNERGY - the interplay between gripping systems & clamping technology is here to help productivity by bringing the future to now.</i>
	<i>ACE develops & produces solutions that make production processes faster, more efficient, safer & more sustainable.</i>
	<i>Wilkerson Filters, Regulators, Lubricators, Pressure Gauges, Mufflers, & Combinations provide for the total systems approach to air preparation.</i>
	<i>AirTAC is a global supplier of pneumatic components, preparation units, and actuators. We function as a vertically integrated supplier across our entire global network. Proven Quality Products.</i>
	<i>Coilhose Pneumatics has been manufacturing high quality pneumatic accessories for professionals and serious hobbyists since 1969. Our entire product offering has been built around a core group of products such as our classic Nylon Coiled Hose.</i>
PNEUMADYNE	<i>Pneumadyne is a leading manufacturer of pneumatic components and pneumatic control systems.</i>
	<i>RapidAir Manufactures and Distributes the Best Compressed Air Piping Systems Available.</i>
	<i>Durham MFG has built a sterling reputation as one of the top manufacturers specializing in industrial storage, metal and plastic products used in packaging, storing, and organizing maintenance products.</i>
	<i>Reading Technologies, Inc. started in 1987 with just one patent for a high quality filter. Today, our product line numbers over 1000 different models-- and counting.</i>
	<i>Mead Fluid Dynamics provides pneumatic automation components for the industrial automation market. Applications for these extensive valve and cylinder lines cover a broad spectrum of modern industry.</i>
	<i>Adsens product offerings range from pneumatic/ hydraulic Mufflers, Filters, plastic tube Fittings, Valves, Magnetic Sensors and Pressure Switches.</i>

ELECTRICAL

	<p><i>By connecting software to its electrification, robotics, automation and motion portfolio, ABB pushes the boundaries of technology to drive performance to new levels.</i></p>
	<p><i>SEW-EURODRIVE GmbH & Co KG is a German manufacturing company headquartered in Bruchsal, Germany. The company produces gear units, motors, electric motor and inverter technology.</i></p>
	<p><i>Bonfiglioli designs, produces and distributes a full range of gearmotors, drive systems, planetary gearboxes and inverters for the industrial automation, mobile machinery and renewable energy sectors.</i></p>
	<p><i>Today, ABB is the world's number-one manufacturer of NEMA motors, and we're proud to support you locally with the Baldor-Reliance product brand.</i></p>
	<p><i>Supplier of industrial clutches and brakes featuring oil shear technology.</i></p>
	<p><i>WEG provides global solutions for electric motors, variable frequency drives, soft starters, controls, panels, transformers, and generators.</i></p>
	<p><i>Our mission is to provide the highest level of electrical service to our clients & community through attention to detail and state of the art industry knowledge.</i></p>
	<p><i>Techtop Motors are superior in the advantages of stable performance, long operation life, low noise, low temperature rise, small volume and low weight.</i></p>

CUTTING TOOLS

	<p><i>Drillco has been supplying industry with the finest selection of quality metal cutting tools, manufactured in America and around the world for over 35 years.</i></p>
	<p><i>Diaphragm Compressors, Hydrogen Compressors, Magnetic Mixers, Supercritical Fluid Systems, Custom Reactors, Pressure Vessels, Hydrogen Refueling Compressors</i></p>

Leinart's, Inc.
Serving East Tennessee Since 1933

4019 Asheville Hwy.
Knoxville, TN 37914
